1. Introduction

The purpose of this document is to formalize the management of grievances from our stakeholders and to minimize the social risks to the business. The grievance process, outlined in this document, provides an avenue for stakeholders to voice their concerns and offers transparency on how grievances will be managed internally, which aims to reduce conflict and strengthen relationships between external stakeholders.

2. Scope

The grievance mechanism procedure applies to all external stakeholders of our operations. This procedure does not cover grievance raised by internal stakeholders, such as employees, who are to refer to company's internal grievance process.

3. Definitions

Term	Definition
Grievance	An issue, concern, problem, or claim (perceived or actual) that an individual or community group wants to be addressed by the company in a formal manner.
Grievance Handling Mechanism	A way to accept assess and resolve community complaints concerning the performance or behavior of the company, its contractors, or employees. This includes adverse economic, environmental and social impacts.
Internal Stakeholders	Groups or individuals within a business who work directly within the business, such as employees and contractors.
External Stakeholders	Groups or individuals outside a business who are not directly employed or contracted by the business but are affected in some way from the decisions of the business, such as customers, suppliers, community, NGOs and the government.

b. Record

All formal grievances will be logged in the Grievance Register and Grievance Lodgment Forms will be saved in record of correspondence.

c. Screen

The stakeholder contact officer is responsible to liaise with the external stakeholder/s and work on a resolution. Grievances will be screened depending on the level of severity in order to determine and how the grievance is approached. See below table categorizing the different levels:

Category	Description	Grievance Owner
Level 1	When an answer can be provided immediately and/or company is already working on a resolution (only formal grievances to be lodged in the External Grievance Register).	Eg. for stakeholder officer
Level 2	One off grievances that will not affect the reputation of Company.	Stakeholder Officer
Level 3	Repeated, extensive and serious grievances that may jeopardize the reputation of Company.	Grievance committee

d. Acknowledge

A grievance will be acknowledged, by the grievance owner, within five working days of a grievance being submitted. Communication will be made either verbally or in written form.

The acknowledgement of a grievance should include a summary of the grievance, method that will be taken to resolve the grievance and an estimated timeframe in which the grievance will be resolved. If required, the acknowledgment provides an opportunity to ask for any additional information or to clarify any issues.

e. Investigate

The Stakeholder Officer along with the employees is responsible for investigating the grievance. The investigation may require the team to make site visits, consult employees, contact external stakeholders and complete other activities. Records of meetings, discussions and activities all need to be recorded during the investigation.

Information gathered during the investigation will be analyzed and will assist in determining how the grievance is handled and what steps need to be taken in order to resolve the grievance.

f. Act

Following the investigation, the Stakeholder Officer will use the findings to create an action plan outlining steps to be taken in order to resolve the grievance. The Stakeholder officer is responsible for assigning actions, monitoring actions undertaken and making sure deadlines are adhered to.

Once all actions have been completed and the team feels the grievance has been resolved, they will then formally advise the external stakeholder via their preferred method of contact.

g. Follow up and close out

The Stakeholder officer will make contact with the external stakeholder/s three weeks after the grievance is resolved. When contacting the external stakeholder, the stakeholder officer will verify that the outcome was satisfied and also gather any feedback on the grievance process.

7. Appeal

If the external stakeholder is unhappy with the resolution and/or does not agree with the proposed actions, then the Stakeholder Officer needs to escalate the matter to the Grievance Committee. The committee will review the grievance and all documentation gathered throughout the investigation and determines whether further actions are required to resolve the grievance.

Company is fully committed to resolving an external stakeholder's grievance so if Company is unable to resolve a complaint or a stakeholder is unhappy with the outcome, Company may seek advice from other independent parties.

8. Storing of Grievances

All records, including grievance forms, investigation notes, interviews and minutes of meetings will be securely filed with confidentiality for all parties involved.
